## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 13-16, 25-28 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 13-16, 25-28 are allowed in view of applicant's submissions, amendments, and remarks filed 02/12/2009 and in view of the allowable subject matter indicated in the previous Office Action.

Specifically, with regards to independent claim 13 and similarly independent claim 15, the prior art of record does not expressly disclose:

A method for polling and scheduling in a multiuser network that includes a plurality of bandwidth efficient modems configured to carry\_ out a distributed coordination function (DCF) for providing best-effort delivery\_ of asynchronous packet data, the method comprising:

each modem detecting that one or more of the other modems included in the network are bandwidth efficient and therefore capable of an aggressive access protocol that exploits co-channel demodulation capabilities;

switching from a legacy protocol mode to the bandwidth efficient aggressive access protocol mode for at least one pair of communicating modems included in the network;

two or more modems simultaneously transmitting on a single channel requests-to-send (RTS) messages to a first set of destination modems;

Art Unit: 2617

simultaneously receiving clear-to-send (CTS) messages from the first set of destination modems at each of the requesting-to-send modems;

recovering each corresponding CTS message using co-channel demodulation capabilities of the corresponding requesting modem;

each requesting modem simultaneously transmitting its respective data on to the network;

and each corresponding destination modem recovering the corresponding data using its co- channel demodulation capabilities.

Claims 14, 16, and 25-28 are allowed as being dependent on allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
